INSTRUCTIONS TO PILGRIMS.

(i) This pilgrim-pass is not transferable and is liable to confiscation if found in the possession of any person other than the rightful owner.

(ii) Pilgrims are advised in their own interest to affix a recent photo in the space provided for this purpose as this facilitates their identification.

(iii) Every pilgrim is required to present his or her pass for registration to the Executive Officer of the Port Haj Committee of the port of embarkation in India.

(iv) Every pilgrim is required, on landing at Jedda, to get his or her pass registered at the British Legation, Jedda, and to deliver to His Majesty's Representatives, his or her return ticket, if any, or deposit-paid receipt, for safe custody.

(v) Pilgrims are warned that if they do not deposit their deposit-paid receipts or return tickets, at the British Legation, Jedda, they will run the risk of their loss and will also lose the benefit of the Rotation System by which return passage is determined on the occasion of their homewardbound journey thereby incurring unnecessary expenses during their stay at Jedda.

(vi) Pilgrims are advised to report to the Indian Vice-Consul at Jedda any difficulty they may experience during their stay in the Hejaz.

(vii) The Indian Vice-Consul is always accessible to pilgrims and ready to help and assist them in their difficulties in the Hejaz.

(viii) Free medicine and free consultation are available for Indian pilgrims at the Government of India dispensaries at Mecca, Jedda and Muna. Pilgrims in need are advised to avail themselves of these facilities. The Indian Medical Officer charges five rupees for a visit to the patient's lodging and medicine is supplied free. Indigent pilgrims who are too ill to attend the Indian dispensaries personally are attended free in their quarters.

(ix) Pilgrims are warned in their own interests not to appoint executor against the event of their death in the Hejaz to deal with their estates. Such appointments only involve the estate in unnecessary expenditure without corresponding advantage. The general procedure of dealing with the effects of those who die is that the local Government collect them on the death of a pilgrim and eventually hand them over to the British Legation at Jedda, who forwards them to the authorities concerned at the ports of embarkation in India for disposal.

(x) Pilgrims are warned that their deposit-paid receipts or return tickets are not transferable and are liable to confiscation if found in the possession of an impostor.

Report on the administration of the wards, attached and trust estates in the Presidency of Bengal for the year 1343 B.S. (1936-37).

GOVERNMENT OF BENGAL.

REVENUE DEPARTMENT.

Land Revenue.

RESOLUTION—No. 80 T.R.

Darjeeling, the 28th April 1938.

Read—

The Report of the Board of Revenue, Bengal, on the administration of the wards, attached and trust estates in the Presidency of Bengal for the year 1343 B.S. (1936-37).

1. At the beginning of the year under report the total number of estates under the management of the Court of Wards was 129. Nine new estates were brought under management of the Court and four estates were released during the year. Thus at the close of the year there were 134 estates in charge of the Court.

2. Out of the aggregate of Rs. 77,26,705 due to Government as revenue and cesses, a sum of Rs. 66,22,973 or 85·7 per cent. of the total was paid during the year, as against 81·3 per cent. in the previous year.

3. The total current demand due to the estates on account of rent and cesses was Rs. 1,70·43 lakhs and arrear demand Rs. 3,40·90 lakhs. The total sum collected was Rs. 1,81·27 lakhs representing 35·4 per cent. of the total demand or 106·3 per cent. of the current demand against 35·0 per cent. and 93·3 per cent., respectively, in the preceding year. This increase is mainly due to the increase of collection ($6\frac{3}{4}$ lakhs) in the Kasimbazar Raj Estate.

4. The total amount of ascertained debts of the Court of Wards Estates in the Presidency at the close of the year under report stood at Rs. 3,28,85,049 against Rs. 2,89,41,124 in the preceding year. The increase is due to the assumption of charge of some new estates with heavy debts and to the addition of unpaid interest. The principal repaid or otherwise reduced amounted to Rs. 26,38,882 and the interest paid or otherwise reduced Rs. 16,23,077 as compared with Rs. 44,20,325 and Rs. 17,18,584, respectively, in the previous year.

5. The percentage of cost of management of the estates in the whole Presidency on their current rent and cess demand was 11·2 as against 11·8 in the preceding year. Law expenses fell from Rs. 11·69 lakhs in 1935-36 to Rs. 9·69 lakhs.

6. The total sum spent during the year under the heads schools, dispensaries and works of improvement amounted to Rs. 5,91,004 against Rs. 5,52,269 of the previous year.

7. The thanks of the Governor are due to the Board of Revenue for the efficient administration of the estates under the management of the Court of Wards. He also notices with pleasure the work done by the Managers mentioned in the report.

No 4364F.—3rd May 1938.—*Page 28.—Rule 53A.*—For this rule with the heading above it, *substitute* the following:—

Attachment of Pay and Allowances for Debt.

Rule 53A. The extent to which the emoluments of a Government servant are exempt from attachment for debt is laid down in section 60 (*1*) of the Code of Civil Procedure, 1908, as amended by the Code of Civil Procedure (Second Amendment) Act, 1937, and further modified by the Government of India (Adaptation of Indian Laws) Order, 1937, and the Government of India (Adaptation of Indian Laws) Supplementary Order, 1937 The following is an extract of the relevant provisions of the section:—

"60 (*1*). The following property is liable to attachment . . . . . in execution of a decree . . . . . :

Provided that the following particulars shall not be liable to such attachment . . . . , namely:—

* * * * *

(*i*) the salary of any public officer . . . . to the extent of the first hundred rupees and one-half the remainder of such salary:

Provided that, where the whole or any part of the portion of such salary liable to attachment has been under attachment, whether continuously or intermittently for a total period of twenty-four months, such portion shall be exempt from attachment until the expiry of a further period of twelve months and, where such attachment has been made in execution of one and the same decree, shall be finally exempt from attachment in execution of that decree;

* * * * *

(*l*) any allowance forming part of the emoluments of any public officer . . . which the appropriate Government may by notification in the official gazette declare to be exempt from attachment, and any subsistence grant or allowance made to any such officer . . . . . while under suspension;

* * * * *

Explanation 2.—In clauses . . . . . and (*i*), 'salary' mean the total monthly emoluments, excluding any allowance declared exempt from attachment under the provisions of clause (*1*), derived by a person from his employment whether on duty or on leave.

Explanation 3.— In clause (*1*), 'appropriate Government' means

(*i*) as respects any public officer in the service of the Central Government, ... , the Central Government;

(*ii*) as respects any public officer employed in connection with the exercise of the functions of the Crown in its relations with Indian States, the Crown Representative, and

(*iii*) as respects any other public officer . . . . . , the Provincial Government."

Note 1.—Compensatory allowances are not included in the term "pay" for the purpose of this rule and should be treated as exempt from attachment by a Civil Court. Exchange compensation allowance is included.

Note 2.— The maximum pay attachable by a Civil Court is calculated on the amount earned and not what remains after satisfying any debts due to Government on account of advances taken under rule.

Note 3.—Subscriptions to funds recognised by Government, instalments in repayment of advances from the General Provident Fund and recoveries of income-tax, deductions for which appear in the pay bill, should be excluded from the aggregate pay for the purpose of attachment by a Civil Court.

Note 4.—Sterling overseas pay, or that portion of leave-salary which is based on sterling overseas pay, not being payable in British India, is not liable to attachment by a Court of Law in India as part of pay or leave-salary of a public officer and cannot be taken into account in assessing the amount which is liable to such attachment.

Note 5 – Cases may occur in which the judgment-debtor does not sign the acquittance roll and intentionally allows his pay to remain undisbursed; or the judgment-debtor, being a gazetted officer or not being a gazetted officer but being permitted to draw his pay on a separate pay bill, may refrain from preparing his pay bill and drawing his pay regularly in order to evade payment on account of an attachment order issued by a Court of Law. In such circumstances the head of the office or, in the case of a gazetted officer or of an officer treated in this respect like a gazetted officer, the Administrative Officer of the department concerned may draw the pay of the judgment-debtor in satisfaction of the attachment order subject to the prescribed restrictions laid down and remit the amount to the Court concerned. The amount of the pay drawn should be charged in the accounts, the particulars of attachment order being cited in the acquittance roll or the pay bill, as the case may be, as an authority for the charge and the Court's receipts for the amount should be filed with the attachment register.

Note 6.—Amounts deducted from pay bills of gazetted and non-gazetted Government servants under prohibitory orders issued by a Court of Law not located at the headquarters of the treasury cashing the bills, should be remitted to the Court concerned by postal money order, remittance transfer receipts or demand drafts, as the case may be. Remarks.

Figure in column 20 is rather misleading. The figure is meant to give an idea of annual normal surplus expected in future. But the average of past 3 years (the basis of the valuation) cannot always be reckoned as the sure test. There might be extraordinary expenditures under certain heads in any particular year which would in consequence seriously affect the otherwise probable surplus. In this municipality under (2) in column 16 "Public Safety" Rs. 29,034 (*i.e.*, about Rs. 8,250 in excess of normal) had to be spent in 1935-36 to clear off the old liabilities for electric and other bills. The total expenditure of that year was, therefore, in excess of the total receipts of the year and surplus of the previous year had to be drawn upon to meet the excess expenditure. Still the actual closing cash balance on 31st March 1936 was Rs. 2,610-15. Again in the loan application for Rs 1,30,000 submitted in July 1936, the figure in column 20 (on the basis of the prescribed calculation) was—700, apparently indicating that no surplus was to be expected at the end of 1936-37. As a matter of fact, however, the total receipts as per column 15 were in excess of the total expenditure in column 19 by Rs. 12,063.

As already submitted in the application for final sanction of the scheme of extension, there are absolutely no old liabilities outstanding and so no expenditure of an abnormal nature has to be incurred henceforth. So the normal annual surpluses in future may safely be fixed upon at very decent amounts.

3. If any measure which the District Health Officer has, by a notice issued under regulation 20, required to be carried out, be not carried out to his satisfaction within the time stated in the notice the District Health Officer shall be entitled to carry out the measure.

(2) The Board may recover all expenses incurred by the District Health Officer in carrying out the measure under regulation 3 from the person or persons to whom the notice was originally issued.

(1) Every medical practitioner called in to attend upon any case of small-pox shall forthwith give notice of the case by a special messenger to the nearest member of the outdoor staff of the Board and to the District Health Officer by post and the cost of such messenger in each case shall be defrayed by the Board.

This cancellation shall not, however, have effect as regards anything done, or any offence committed, or any proceedings instituted before the said date.

7. *Power of entry, etc.*—(1) Any Inspecting Officer shall have free access at all reasonable times to any manufactory of steel ingots and may, with or without notice to the owner, examine and take copies of extracts from any accounts or registers for the purpose of testing the accuracy of the returns prescribed in Clause 4, or of informing himself as to any particulars regarding which information is required for the purposes of the Act or of this Order.

(2) If any person—

(a) voluntarily obstructs, or offers any resistance to or impedes, or otherwise interferes with, or

4. Subject to the provisions of rule 3, Government shall determine the method or methods to be employed for the purpose of filling any particular vacancies, or such vacancies as may require to be filled during any particular period, and the number of candidates to be recruited by each method.

5. Vacancies in the Department which are filled otherwise than by promotion shall be apportioned between the various communities in India in accordance with the provisions of the Government of India (Home Department) Resolution No. F. 14/17-B./33-Ests., dated the 4th July 1934, and the supplementary instructions connected therewith.

PART II.

Recruitment by competitive examination.

6. A competitive examination for admission to the Department shall be held in India at such times and places as Government may prescribe by notice issued through the Commission. Every such notice will, when possible, announce the number of vacancies to be filled on the result of the examination.

7. If the examination held under this part of these Rules is a combined examination for the purpose of making appointments to more than one Service or Department, the following provisions shall apply:—

Any person may apply to be admitted as a candidate for appointment in all or any of these Services or Departments for which he is eligible. If he wishes to compete for appointment in more than one Service or Department, he shall state on his application form which Services or Departments he wishes to compete for and the order of his preference between them, and in such case only one application form will be necessary and one payment of the fees referred to in rule 16 (and Appendix III) will be sufficient.

8. The candidates to be admitted to the examination shall be limited to such number, being not less than 200 and not more than 300, as the Commission may fix. 9. (*i*) * A candidate who is in the permanent service of the Government shall apply to the Commission for admission to the examination through the Head of his Office, who shall forward his application to the Commission through the Government concerned unless he refuses his consent to the application.

---

15. No recommendations except those invited in the form of application shall be taken into consideration Any attempt on the part of a candidate to obtain support for his candidature by other means may disqualify him for admission.

16. Candidates must pay such examination fees as Government may prescribe (see Appendix III). No claim for a refund of any of these fees will be entertained, nor can they be held in reserve for subsequent examinations or selections.

17. Examinations under these Rules shall be conducted by the Commission in the manner prescribed in the regulations which form Appendix II to these Rules.

18. (*i*) After every examination the Commission shall make a list of the candidates in order of their merit as disclosed by the aggregate marks finally awarded to each candidate, and in that order so many candidates up to the number of vacancies announced under rule 6 above, as are found by the Commission to be qualified by the examination and

Provided that in the case of a male British subject the requirements of this rule (other than that concerning domicile or descent) may be waived by Government if satisfied that their observance would occasion exceptional hardship and that the candidate is so closely connected by ancestry or upbringing with His Majesty's dominions as to justify special treatment.

Provided also that a Ruler or a subject of a State in India cannot be appointed unless he has obtained a declaration under Section 262 of the Government of India Act, 1935, whether or not he has already obtained a declaration under section 96A of the Government of India Act, 1919.

DEPARTMENT OF AGRICULTURE, BENGAL.

Dacca, the 5th May 1938.

Third and Final Forecast of the Spring Oilseed Crops of Bengal, 1937-38.

(*Note.*—On an average of the five years ending 1935-36, the area under linseed in Bengal has represented some 3·4 per cent. and that under rape and mustard 11·9 per cent. of the total area under these crops in India.)

Character of the season.—Since the issue of the second forecast, the weather and its effects on the crops have, on the whole, been fair. Some damage has been done to the crops by drought and caused the outturn to fall below the normal.

Area sown.—Oilseeds are chiefly grown in the Dacca, Rajshahi and Presidency Divisions. In the other two divisions, the cultivation is not extensive. The total area under the crops (excepting sesamum for which separate forecasts are issued) is returned at 951,100 acres as against 916,700 acres last year.

Outturn.—From the District Officers' estimates, the provincial outturn of the different oilseed crops works out at 80 per cent. of the normal as against 85 per cent. last year.

Taking 6¾ths maunds as the normal yield per acre for linseed, 7 maunds for rape and mustard and 4½ maunds for other oilseeds, the total yield of the crops for the province is estimated at 189,700 tons this year as against 195,100 tons (revised) last year.
